A brief biography of Mrs. Julie Taylor

Julie Taylor was born and raised in Buffalo, New York. She was baptized, confirmed and married at First Trinity Lutheran Church in Tonawanda, New York, which is one of the fourteen original congregations that formed The Lutheran Church—Missouri Synod. She attended Concordia College in Bronxville, New York, and earned her undergraduate degree in elementary education. She also received a Lutheran Teacher's Diploma. A teacher at heart, she spent time in Malvern, Pennsylvania, and St. Louis, Missouri, teaching in Lutheran schools. While at Concordia, she met her husband, Deric, who serves as the Pastor of Our Savior Lutheran Church in Fair Lawn, New Jersey. Julie is currently serving part time in the Advancement Office of Concordia College in Bronxville, New York, where she has worked for 23 years. She enjoys teaching a women's Bible study at her parish. She also leads the music for Sunday School and Vacation Bible School, occasionally plays piano and organ duets for worship services, and serves as the LWML liaison for the parish's Dorcas Guild. She has many favorite Bible verses, but she is particularly fond of Isaiah 40:31: "But they who wait for the LORD shall renew their strength, they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint." Julie's greatest joy is being a wife and a mother. Julie and Deric have one son, Bradley, who is a rising junior at Sacred Heart University in Fairfield, Connecticut.

Registration for this great weekend opens on September 1, 2017.

Our mission offering during this retreat is to raise funds for Lutheran Schools Association (LSA). LSA works to assist the ministries of Lutheran schools by facilitating workshops and collaborative opportunities that support teachers and school leaders. Annual conferences are designed for 500 educators of toddlers to high school seniors, maintaining certification, offering guidance on pedagogy, recognizing a student's need for mental health counseling, keeping up with curriculum, and so much more. Our support will help enable networking that inspires conversations about sustainability or imagining possibilities in marketing schools.

We also have the opportunity to bless those who help us while we are at Tuscarora. We shall have an offering on Saturday for the youth who help and serve us during our weekend at Tuscarora.
